

Hand-drawn architectural cross-section of a three-story building. The drawing shows the internal structure with floors labeled OG (Obergeschoss), EG (Erdgeschoss), and KG (Keller). The roof is gabled with a 30-degree pitch. Dimensions are given for room heights (h=2.0m, h=1.5m) and overall width (3.80m). Materials like 'JRION-D.' and 'HOLZ ALT' are noted. A 5000Ltr water tank is shown in the basement. A person is walking on the upper floor, and two people are standing outside. The drawing is dated 1995.

Architectural elevation drawing of a house. The drawing includes dimensions: 4.14m for the main roof width and 3.80m for the gable width. Labels 'Einhausung NEU' and 'Gaube NEU' are present. The house has a large window on the ground floor and a smaller window in the gable. A car is parked on the left, and a person is standing on the right.
